

A horizontal sequence of 12 grayscale images showing the progression of a handwritten digit '4' from left to right. The first image shows a vertical stroke, followed by the formation of the top loop, the horizontal crossbar, and finally the bottom loop and tail stroke.

A horizontal sequence of seven grayscale images showing the progression of a handwritten digit '4' from a noisy, pixelated state to a clean, sharp state. The first image on the left is highly noisy and pixelated. The subsequent images show the digit becoming progressively clearer and sharper, with the final image on the right being a clean, high-contrast representation of the digit '4'.
