A pixelated, black and white graphic of the text "Glad to be a star". The text is rendered in a decorative, cursive font with a thick, pixelated outline. The letters are connected, giving it a flowing, handwritten appearance. The background is white, and the text is centered horizontally.

$\mathbb{R}^n \times \mathbb{R}^n \times \mathbb{R}^n$

A pixelated, black and white image of the text "I am a pirate" repeated three times, separated by plus signs. The text is rendered in a simple, blocky font style. The first "I" has a small dot above it. The word "am" is written in a cursive-like script. The word "pirate" is written in a simple, blocky font. The plus signs are also pixelated and blocky. The entire image is set against a white background.

$$T_{rec} = \frac{P_{cold} T_{hot} - P_{hot} T_{cold}}{P_{hot} - P_{cold}}$$
