

Q&A

2020

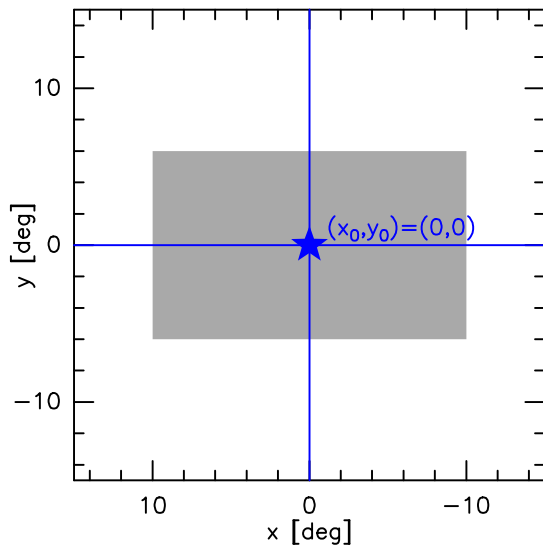

A pixelated, black and white graphic of the text "LOVE" with a large plus sign. The text is rendered in a bold, blocky font. The "L" and "O" are connected, as are the "V" and "E". A large plus sign is positioned between the "L" and the "O". The entire graphic is flanked by decorative swirls on both sides. The image has a low-resolution, pixelated appearance.

sin cos sin cos / sin cos cos

cos-1(x) = arccos(x)

$$\tan \frac{\theta}{2}$$

$$\cos \theta = \sin \theta + \cos \theta$$

$$r_{\text{AIPS}} = 2 \frac{\sin \theta}{1 + \cos \theta}$$

$$r_{\text{AIPS}} = 2 \tan \frac{\theta}{2}$$

$$\tan x = \frac{\sin x}{\cos x} = \frac{2 \sin x \cos x}{2 \cos^2 x} = \frac{\sin 2x}{1 + \cos 2x}$$

1999-2000

A pixelated, black and white graphic of the text "over the rainbow" in a cursive font. The text is rendered in a style reminiscent of early digital art or low-resolution graphics, with thick, dark strokes and a slightly irregular, hand-drawn appearance. The letters are connected in a fluid, cursive manner. The word "over" is on the left, followed by "the", then "rainbow". The overall aesthetic is retro and digital.
