

Q&A

2020

A pixelated, black and white graphic of the text "LOOOO" with a large plus sign in the center, resembling a stylized logo or watermark. The characters are thick and blocky, with a dithered or pixelated texture. The plus sign is also pixelated and centered between the "L" and the first "O". The "O"s are slightly irregular in shape, giving it a hand-drawn or digital-art feel. The entire graphic is set against a plain white background.

sin cos sin cos / sin cos cos

cos(1)sin(2)cos(1)sin(2)

$$\tan \frac{\theta}{2}$$

$$\cos \theta = \sin \theta + \cos \theta$$

$$r_{\text{AIPS}} = 2 \frac{\sin \theta}{1 + \cos \theta}$$

$$r_{\text{AIPS}} = 2 \tan \frac{\theta}{2}$$

$$\tan x = \frac{\sin x}{\cos x} = \frac{2 \sin x \cos x}{2 \cos^2 x} = \frac{\sin 2x}{1 + \cos 2x}$$

1999-2000

A pixelated, black and white graphic of the text "over the rainbow" in a cursive font. The text is rendered in a style reminiscent of early digital art or low-resolution graphics. Above the first 'o' in "over", there is a small 'x' mark. The entire graphic is set against a white background.

$$\phi_p = \begin{cases} 0^\circ & \text{for } \delta_0 \geq 0 \\ 180^\circ & \text{for } \delta_0 < 0 \end{cases}$$
