PEPPER

A large, pixelated, black and white graphic of the letter 'P'. The letter is composed of many small squares, giving it a blocky, digital appearance. It is positioned on the left side of the page, with its vertical stem extending from the bottom towards the top. The top of the letter has a horizontal bar that curves slightly to the right. The overall style is reminiscent of early computer graphics or a low-resolution digital font.

ARISE

AI-2

A pixelated, black and white graphic of the number 19. The digits are composed of a grid of squares, with varying shades of gray and black, giving it a retro, digital appearance. The number 1 is on the left, and the number 9 is on the right, both rendered in a stylized, blocky font.

A pixelated, black and white version of the Google logo. The letters 'G', 'o', 'o', 'l', and 'e' are rendered in a blocky, digital style. The 'G' is the largest and most prominent, followed by the two 'o's, 'l', and 'e'. The 'l' is a simple vertical bar. The 'e' is a simple horizontal bar. The entire logo is composed of black and white pixels, giving it a retro, low-resolution appearance.

A pixelated, black and white version of the Google logo. The letters 'G', 'o', 'o', 'l', and 'e' are rendered in a blocky, digital style. The 'G' is the largest and most prominent, followed by the 'o's, 'l', and 'e'. The 'G' has a thick, dark outline and a lighter, pixelated interior. The 'o's are also pixelated, with a dark outline and a lighter interior. The 'l' and 'e' are smaller and also pixelated. The entire logo is set against a white background.
