Achank - Achank - Achank - Achank

$$\text{redge}(\text{Amap}) + \text{Aedge}(\text{Amap}) = \text{Amap}$$

A pixelated, black and white graphic of the text "Amp / mended". The text is rendered in a stylized, blocky font with a dithered or pixelated appearance. The "A" is large and prominent, followed by "mp /", then "mended". The overall style is reminiscent of early digital art or low-resolution computer graphics.

$$A_{\text{pix map}} = \frac{A_{\text{map}} / n_{\text{edge}}}{n_{\text{pix}}}.$$

$$\sigma_{\text{psw}}^{\text{otf}} = \frac{\left( \sqrt{n_{\text{beam}}^{\text{pix}}} + \sqrt{n_{\text{submap}}^{\text{pix}}} \right) \overline{T}_{\text{sys}}}{\eta_{\text{spec}} \sqrt{d\nu} n_{\text{pol}} \eta_{\text{tel}} t_{\text{tel}}}, \quad \text{and} \quad \sigma_{\text{fsw}}^{\text{otf}} = \frac{\sqrt{2 n_{\text{beam}}^{\text{pix}}} \overline{T}_{\text{sys}}}{\eta_{\text{spec}} \sqrt{d\nu} n_{\text{pol}} \eta_{\text{tel}} t_{\text{tel}}},$$

A pixelated, black and white graphic of the text "PICK" and "0001". The letters are blocky and composed of a grid of black and white pixels. The word "PICK" is positioned above the number "0001".
